ALMA MATER

Oh, Conemaugh with spacious halls
and campus bright and green,
Our fondest memories will remain
with each endearing scene.
We'll ever pledge our loyalties,
devoted hearts to you,
To Thee, our Alma Mater, we'll
ever more be true.
Hail, hail to the Red and Black,
Hail to our school with a cheer,
We give our best to Conemaugh,
Whose fellowship we hold so dear.

DEDICATION

We, the class of 1963, rather than dedicating this twenty-fifth edition of the *Connumach* to one person or one small group, dedicate it to Conemaugh Township High School itself, in sincere appreciation for the services it has performed, not only for its alumni but also for the community. During the quarter century since Conemaugh Township High School was established it has been the center of the community both intellectually and socially.

The twenty-five hundred Conemaugh Township graduates are all highly aware of the essential solid educational foundations they received here. Because of the substantial backgrounds they obtained, a large number were able to go on to institutions of higher education and from there to outstanding positions in business, education, government and science. Others were given the education necessary for them to live successfully with their fellow coal miners, steel workers and farmers.

Conemaugh Township High School has also been the nucleus of social life of the entire community. The school has provided many forms of recreational and cultural activities — football games and other sports events, concerts and music festivals, plays and Christmas religious programs, to name only a few. Throughout the years the high school has sponsored many programs which entertained and enlightened the public. The high school has helped Davidsville and other surrounding communities through all these things, in addition to the adult classes of driver education, woodworking and art. It has extended the hand of guidance intellectually, culturally, socially and morally for twenty-five years.

In dedicating the *Connumach* to Conemaugh Township High School we cannot forget the people who made our school the fine institution it is. Without the faculty, administration and school boards there could have been none of the benefits mentioned.

Therefore, we dedicate this twenty-fifth edition to Conemaugh Township High School, its faculty and its students in gratitude for the large part they have played in molding our lives and that of the community.

FACULTY AND ADMINISTRATION

SUPERVISING PRINCIPAL

Dr. Telford Blough

Class of 1963 — the twenty-fifth graduating class of Conemaugh Township High School. Your high school was a child of the great depression. Some of your parents were a part of CTHS in those days before World War II. As young graduates they responded to the clear call of their country.

Other graduates, former students and teachers, also served. Some made the supreme sacrifice. Then came peace and a frantic prosperity. All this was followed by periods of indifferent economic days and the cold war. Life.

Whether in war or peace, good times or ill, Conemaugh Township High School graduates have joined other young Americans in standing up to the world as they found it. They have made good. We are proud of them.

Those of us who were a part of that first school day in October 1938 like to dwell on memories. But 25 years ago we could not see what the years would bring. We were excited with a new high school for our community. We were busy with new tasks. We looked ahead with confidence despite bad times.

Today you too face an uncertain future. But believe me it has always been so since time began. Really we can't see beyond the horizon.

As we have done each year since 1938-39 we join your teachers in wishing the members of the graduating class a good journey. We know you too will find your way.

Telford B. Blough
Supervising Principal

PRINCIPAL

To the Class of 1963, my most sincere wishes for a happy future.

Your class has the honor of being the 25th class to complete your high school education at C.T.H.S. Please note, I stated that your high school education is complete; however remember always that your education is never complete. All through life we learn.

Use your energy to serve your God, your country and yourselves. May happiness be your reward.

CLASS HISTORY

'Twas in fifty-seven when frightened and frazzled
We came to high school, wide-eyed and dazzled,
Seventh graders, shy and meek,
Brains were whirling, stomachs weak.

A year passed by and we returned,
Unspoiled, unmarred and yet unlearned,
But reveling in our new state;
We proudly had become grade eight.

As fall of fifty-nine drew nigh
We held our freshmen heads up high,
And chose our deans as time went on —
Mrs. Popyk, Mr. Littlejohn.

Our freshman magazine sales were very successful. As our first class officers we elected Alvin Crislip, President; Carl Ott, Vice-President; Marian Tranovich, Secretary and Suzi Alwine, Treasurer.

Then in tenth grade we came to see
What being an upperclassman could be
As, steeped in importance, we got our chance
To decorate for the Christmas Dance.

The theme of our dance was "Christmas in Central Park." We planned it under the leadership of Mrs. Popyk, Mr. Littlejohn and our officers, Ray Gironda, President, and Carl, Marian and Suzi holding their positions again. For the first time we could elect a Valentine Princess. We chose Connie Kelly, with Ray Gironda as her escort.

In eleventh grade came our junior play,
And later was the prom in May;
"Paris Memories" our theme,
A lovely, gay Parisian dream.

In our junior year we got our first opportunity to become a part of the dramatics world. The play "Lady, Be Good" was a great success. Ray Gironda, Carl Ott, Marian Tranovich and Suzi Alwine all remained in their offices.

Our senior year arrived at last,
(How had the time so quickly passed?)
The sports events, the senior play
Took place as time just dashed away.

Our senior year moved so rapidly that it seemed it had hardly begun and already we were rehearsing for commencement exercises. It was a busy year for everyone. The class play, "John Loves Mary," was held November 9. As our officers we retained Ray, Carl and Suzi. Judy Ober took over secretarial tasks.

Now as we leave Conemaugh Township High School, we want to express our gratitude to the faculty and everyone else who has done so much to help the class of 1963 succeed. Anything we achieve after leaving Conemaugh Township we can only credit to them.

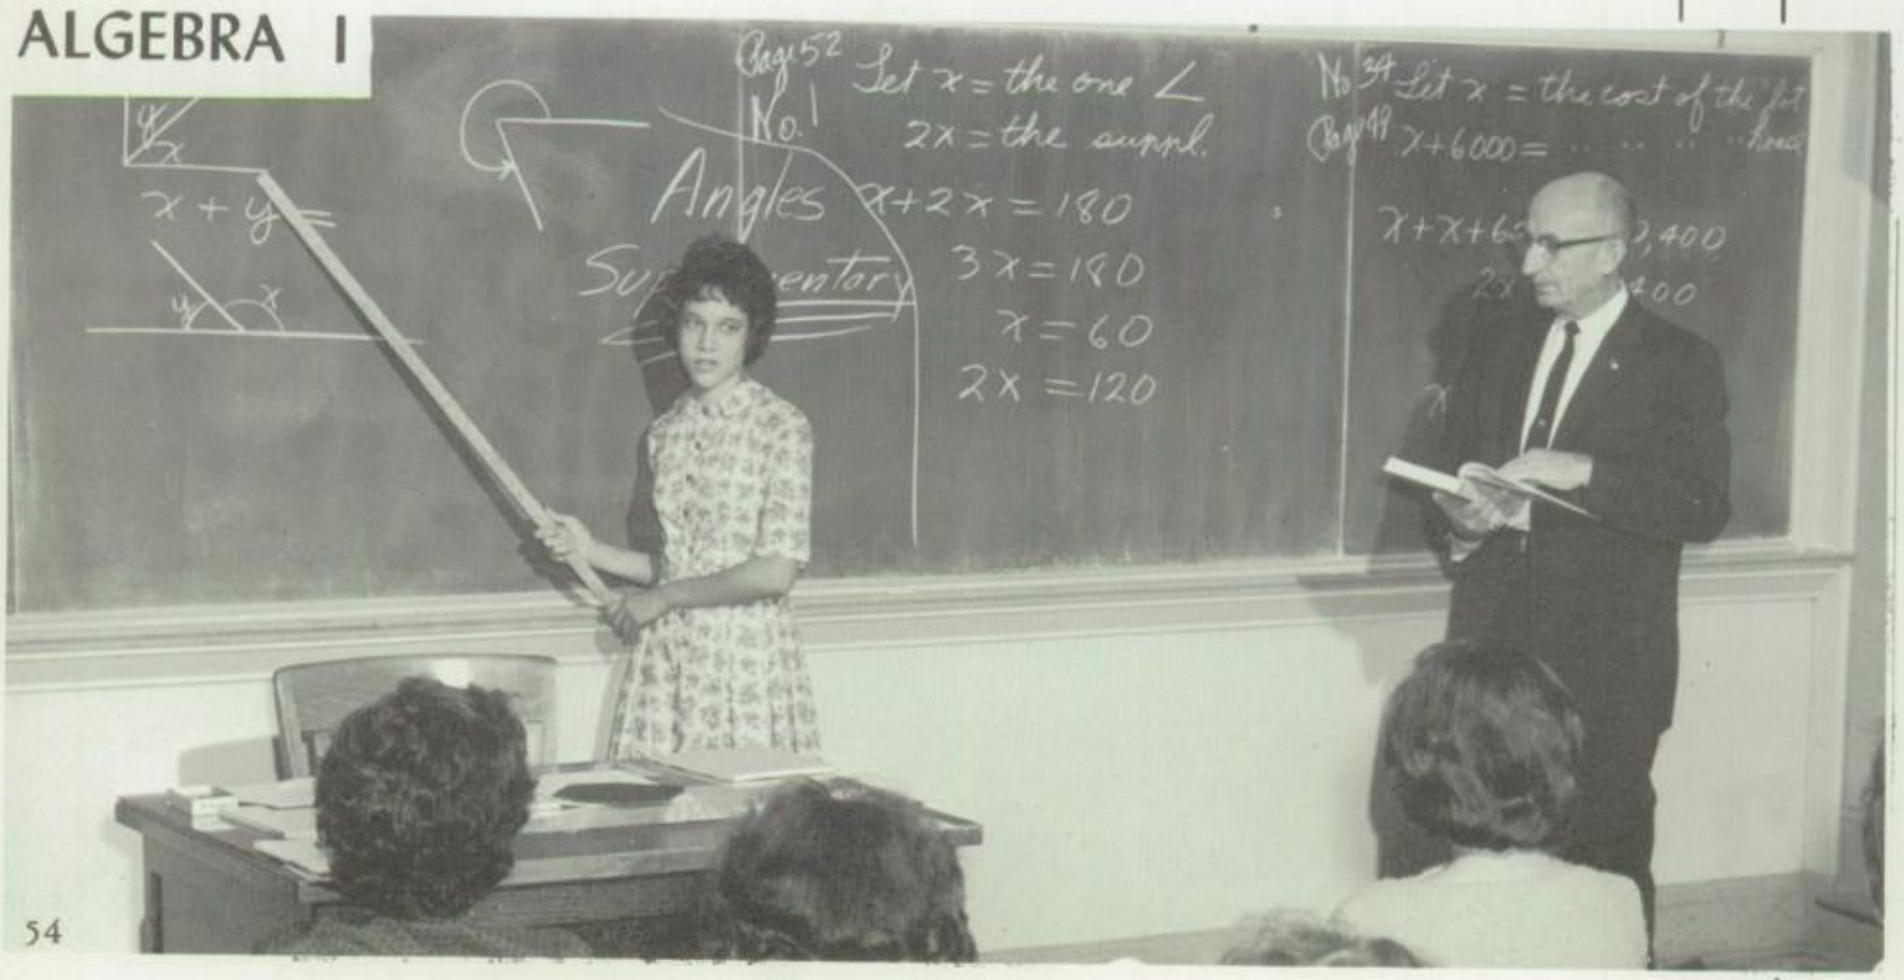
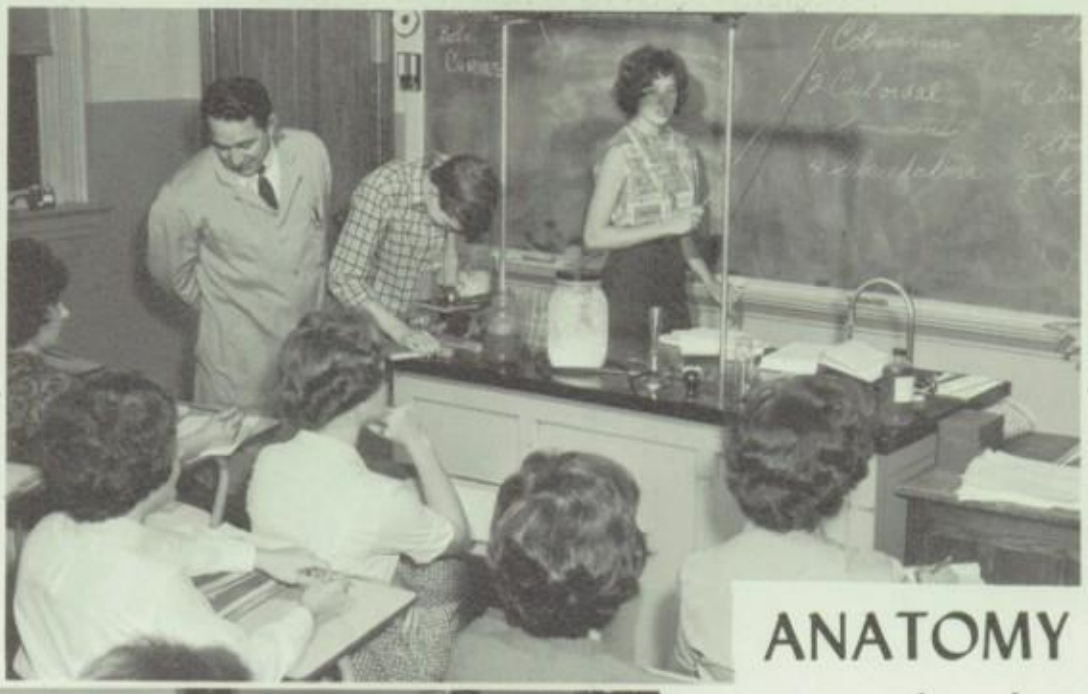
SCIENCE AND MATHEMATICS

8TH GRADE MATH

ALGEBRA I





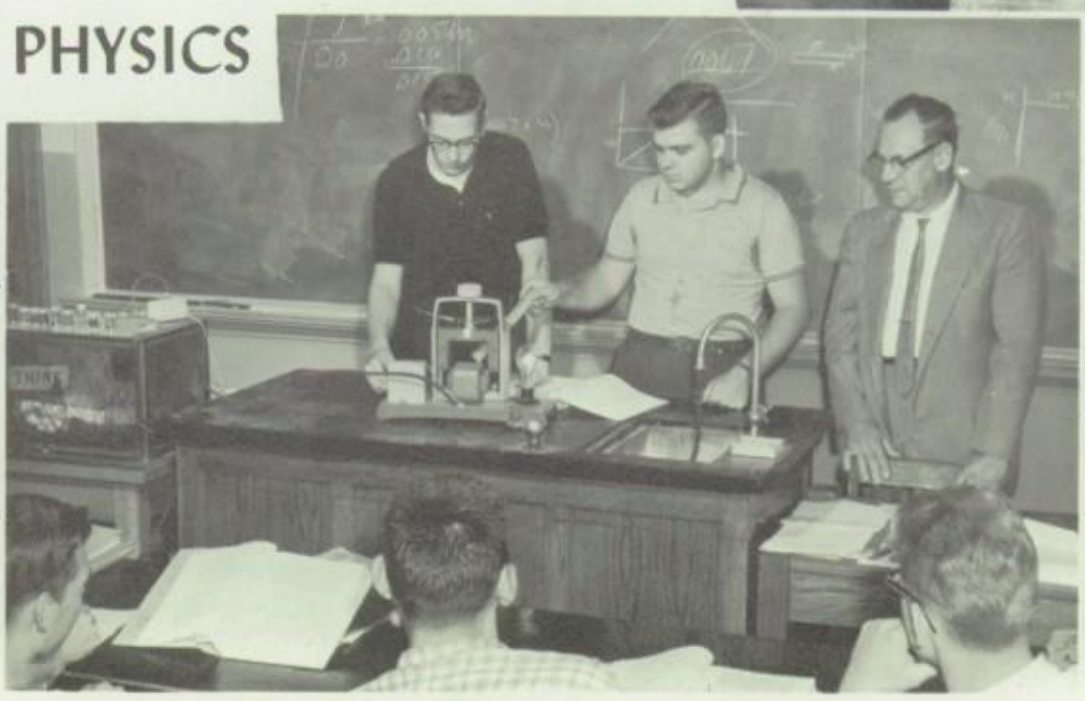
ANATOMY

CHEMISTRY

Today, science and mathematics are among the most important courses which are a part of the academic curriculum. Students who are preparing for college are offered general science, biology, chemistry, anatomy and physics by the science department. Math courses available to academic students are Algebra I, Algebra II, plane geometry and college preparatory math.

BIOLOGY

PHYSICS



ENGLISH

GRADE 12

GRADE 11

GRADE 10

ENGLISH

GRADE 9

English is a subject necessary to students in all courses. During the six years a student takes English, he is taught to understand the basic fundamentals of grammar so that he may use them effectively in his everyday life. Also included in the English classes are composition writing, public speaking and literature appreciation.

GRADE 8

GRADE 7

LANGUAGES

LATIN II

Latin and Spanish are the foreign languages offered the students of CTHS. Latin helps the student to gain a better understanding of English vocabulary. Spanish teaches about the culture and life of people living in a present-day society different from our own.

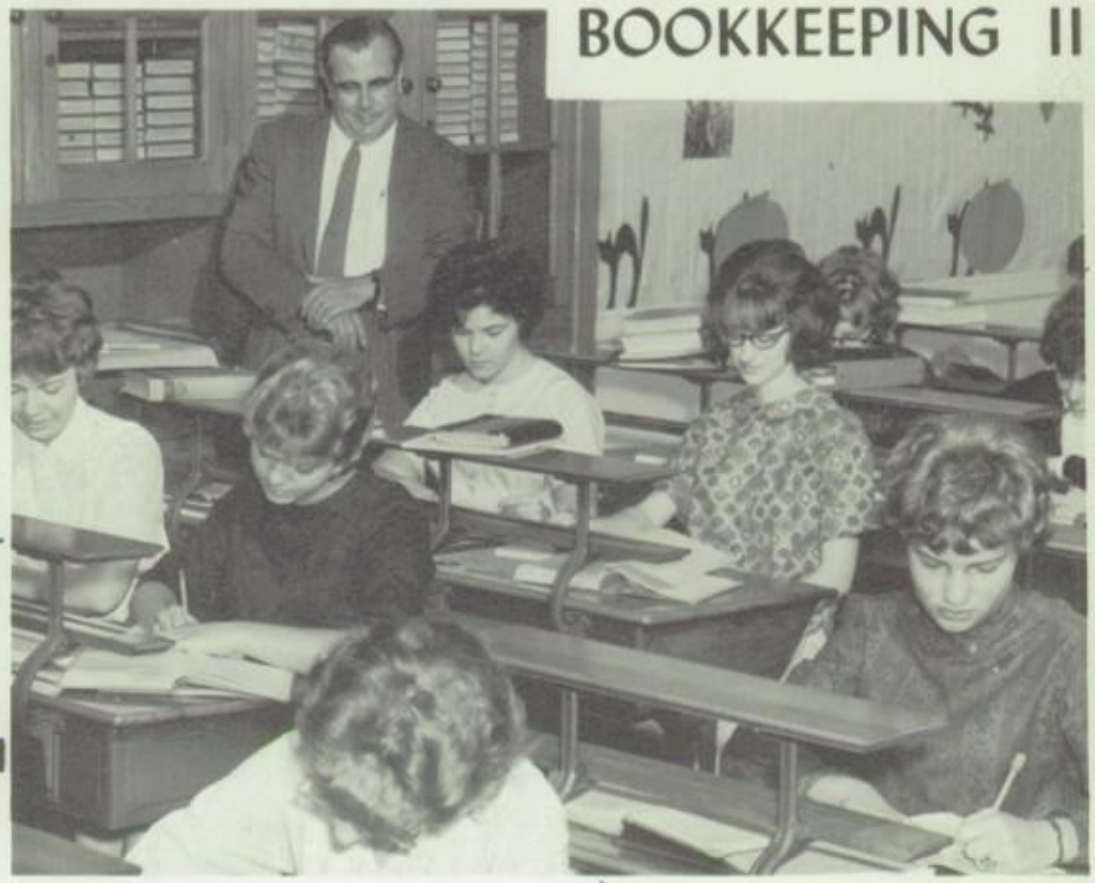
SPANISH

LIBRARY

The library provides encyclopedias, dictionaries, almanacs and many other types of reference material. There are also many famous novels available to the students. The quiet atmosphere provides an excellent place to study.

COMMERCIAL

BOOKKEEPING II



TYPING I

Students interested in the business world are trained in the commercial department. This department offers courses in typing, shorthand, filing, bookkeeping, business law and operation of business machines.

SHORTHAND I

SOCIAL STUDIES

WORLD HISTORY

P.O.D.

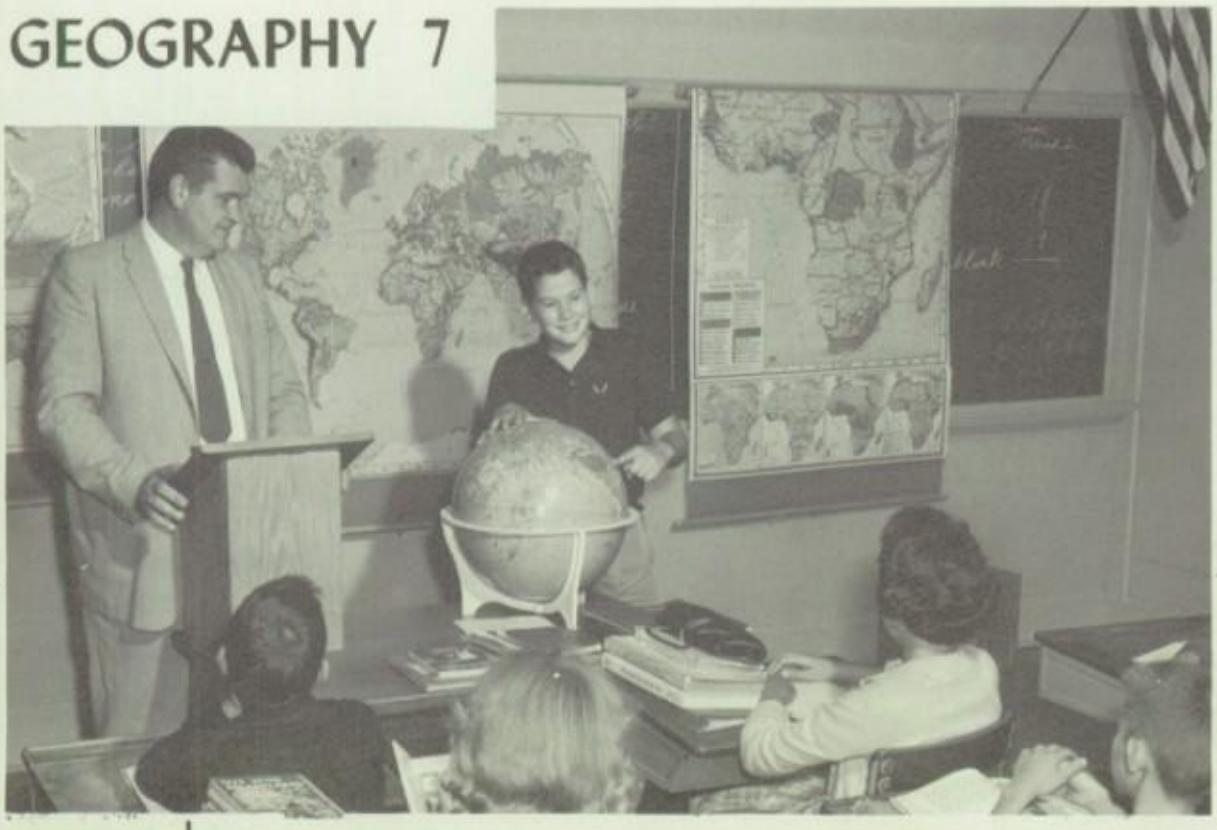
AMERICAN HISTORY

CIVICS

In the social studies department students are acquainted with the problems of today's world and taught how to interpret them and deal with them successfully. Specific courses offered are geography; civics; state, national and world history; and Problems of Democracy.

GEOGRAPHY 8

GEOGRAPHY 7



ART

The art department provides the student an opportunity for self-expression. In addition to learning the techniques of art the student is encouraged to explore and develop his creative ability.

HOMEMAKING

The homemaking department teaches its students to manage a home efficiently through classes in cooking, sewing, child care and home budgeting. Also included in this department is training in personal grooming and etiquette.

AGRICULTURE

The vocational agriculture department trains students interested in becoming farmers. They are taught the most modern techniques in the care of animals, truck farming, dairy farming and conservation.

SHOP

JUNIOR HIGH

SENIOR HIGH

The industrial arts shops provide students with practical knowledge of the tools they will use in future occupations. They are taught mechanical skills which will be necessary for success in later life.

"LADY-BE GOOD"

"Lady Be Good," the Junior Class Play, was a great success because of the hard work of the cast and the able direction of Mr. Vizzini and Donna Frederick. The play told the story of a modern-day "taming of the shrew." Patience Colt, a spoiled, willful debutante is transformed by her butler-husband into a meek housemaid, through a series of humorous misadventures.

The cast was as follows: Jennings—John Riley, Julie— Lorraine Pescuric, George Grushman—Larry Rigo, Aunt Flavia— Judi Cagley, Dawn O'Day—Suzie Williamson, Patience Colt—Patty Cosgrove, John Colt—Richard Lawrence, Bill Trainor—Todd Peterson, Bentley—Alvin Crislip, Norah—Jeanne Ifft, Trudy—Suzi Alwine. Prompters were Pauline Yoder and Judy Ober, and property managers were Jackie Stuver and Norma Kauffman.

The leading roles were played by Todd Peterson, Patty Cosgrove and Richard Lawrence.

Todd illustrates how Bill made the "Lady Be Good."

The play cast takes a break during dress rehearsal.

"JOHN LOVES MARY"

On November 9, 1962, the Senior Class presented its annual production. The play was the hilarious and sometimes confusing "John Loves Mary." In it were told the unusual circumstances surrounding the homecoming of Sergeant John Lawrence who returns to his sweetheart while married to his best friend's girl.

With the joint efforts of the cast, directors and prompters, the play was a huge success.

The cast included the following: Mary McKinley—Suzie Williamson, Oscar Dugan—Richard Foust, Fred Taylor—John Riley, Senator James McKinley—Richard Lawrence, Mrs. Phyllis McKinley—Jeanne Ifft, Lt. Victor O'Leary—Alvin Crislip, George Beechwood—David Livingston, Lily Herbish— Suzi Alwine, Harwood Biddle—Larry Rigo, John Lawrence— Todd Peterson. Prompters were Jackie Stuver, Lorraine Pescuric and Janet Kaufman. Judy Cagley was property manager.

Student Director—Donna Frederick; Director—Mr. Vizzini.

They said it was war nerves.

"Of course she's my wife, but *he's* my best friend."

The whole crew is assembled for the first and last time.

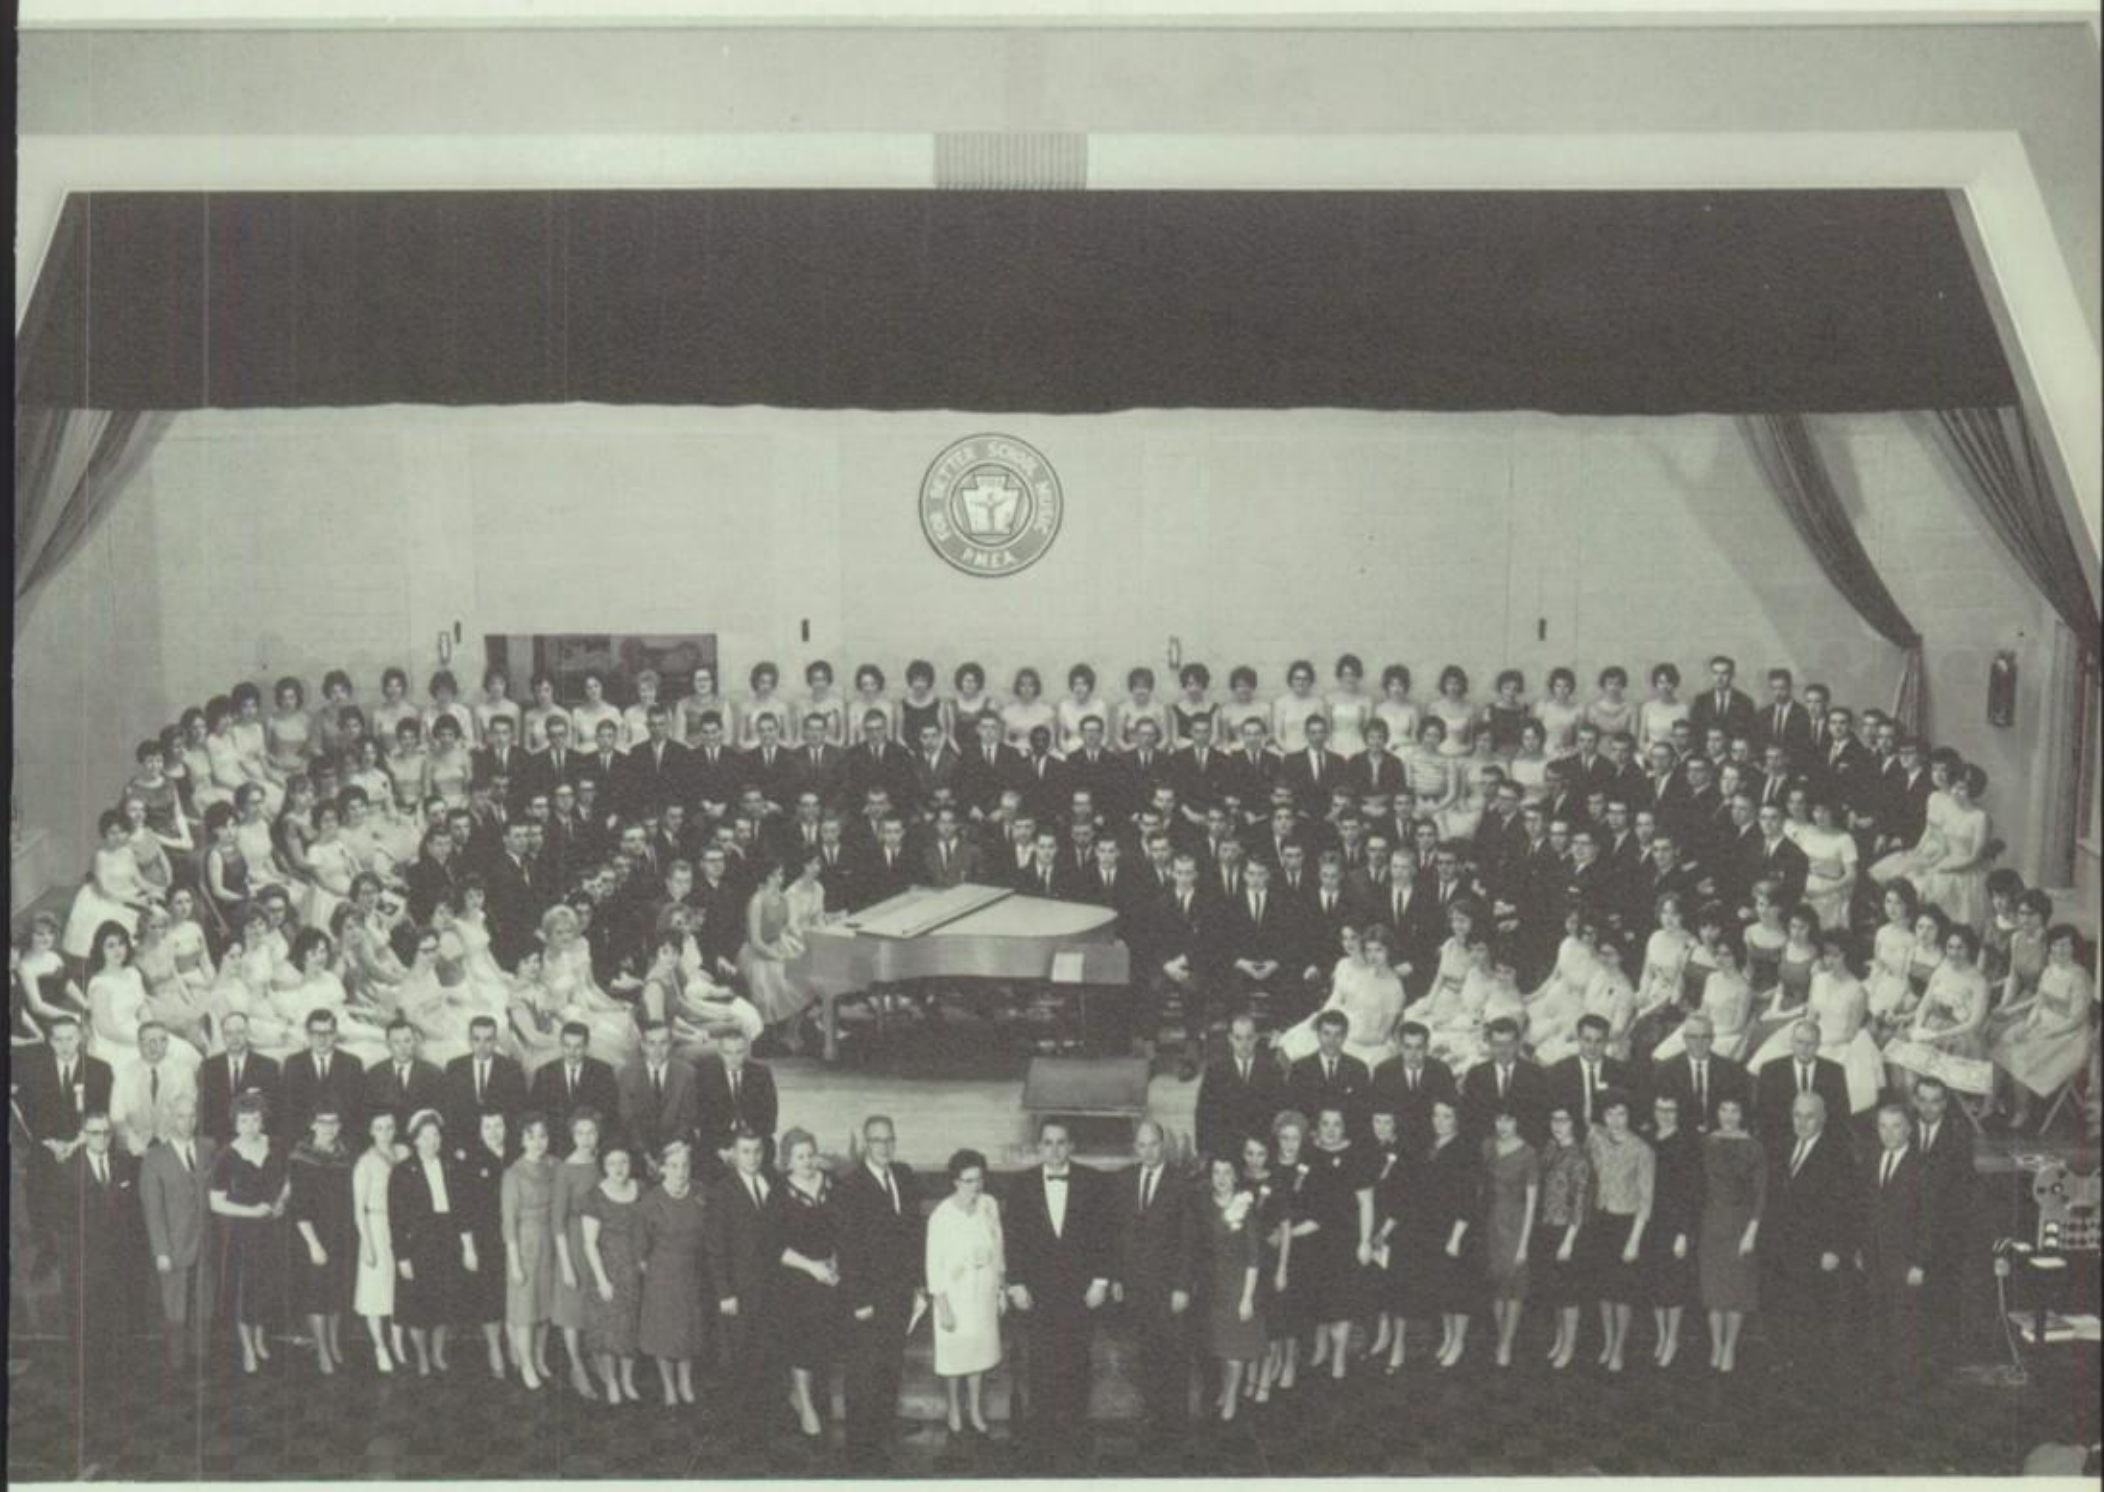
Sweet harmony is heard when the Junior High Girls' Ensemble is singing.

JUNIOR HIGH ACCOMPANISTS — Joyce Mishler, Debbie Blough, Janet Brougher.

SENIOR HIGH CHORUS ACCOMPANIST — Norma Jean Younkin.

STATE CHORUS



On February 22 and 23, 1963, Conemaugh Township was host to the Region 1 State Chorus Festival. Guest conductor was Dr. Frederick D. Mayer from Teachers' College, Columbia University. Township students who participated were Susan Williamson, Susan Helsel, David Livingston, Michael Brougher, Judy Cagley and Loren Stahl. Norma Jean Younkin was one of the three accompanists.

STUDENT COUNCIL

Student Council officers are President, Tom Foreback; Vice-President, Peter Kaltenbaugh; Secretary, Suzi Alwine; Assistant Secretary, Donna Stephenson; Treasurer, Connie Kelly; Assistant Treasurer, Betty Lehman; Chaplain, Connie McNutt. The advisor is Mr. Shaffer.

The Student Council is the student governmental organization. It sponsors several projects each year. The biggest project of the 1962-63 school year was Slave Day. On this day (January 9 for girls and January 10 for boys) a boy or girl bought a ticket and tagged a member of the opposite sex as his slave for the day. All slaves were freed at a Bondage Dance held January 10.

NATIONAL HONOR SOCIETY

The highest honor a student may achieve at CTHS is membership in the National Honor Society. Qualifying students are selected because of outstanding achievements in the fields of scholarship, leadership, character and service. Membership is limited to fifteen per cent of the senior class and ten percent of the junior class. Anyone elected to this society can rightfully be proud. The advisor is Mrs. Wonder.

STAGE CREW

The stage crew is an often forgotten but very important group. Through their work, plays and assemblies are presented much more effectively. Members of the stage crew are Kelly Chaplin, Loren Stahl, and Richard Maldet, who was absent when the picture was taken.

SCHOOL BANK

The school bank is a facility operated by commercial students, under the supervision of Mr. Beckley. Classes and clubs deposit their money in the bank as individuals do in commercial establishments. The two "bank clerks" pictured here are Cathy Shaffer and Janet Mills.

FUTURE NURSES OF AMERICA

Senior high girls considering a career in nursing have an excellent chance to learn of its requirements and advantages in FNA. The Future Nurses aid the school nurse in the Health Room, visit hospitals and schools of nursing, and carry on several service projects during the year. The Future Nurses are guided by the school nurse, Mrs. Moore.

FUTURE TEACHERS OF AMERICA

The G. W. Stephens Club, Future Teachers of America, acquaints interested students with all sides of the teaching profession. FTA's main purpose is to interest students in a teaching career. Through attendance at County and District Conferences, FTA members meet future peers and broaden their outlook. Miss Will is the advisor.

FUTURE HOMEMAKERS

Future Homemakers of America, in connection with the Homemaking department, helps to prepare its members for marriage and the efficient management of a home. The club is not restricted to homemaking students, but welcomes interested girls from any course. It is very helpful in the preparation of teas, parties and dances. The advisor is Mrs. Good.

OF AMERICA

Junior High FHA is the younger sister organization of the senior high group. Its primary interests are learning to cook and sew. The junior high advisor is Mrs. Popyk.

CHESS CLUB

One of the most newly-formed clubs at CTHS is the Chess Club. It is different from most clubs in the fact that it welcomes both junior and senior high students. The advisor is Mr. Paxton.

DEBATE CLUB

Another new organization is the Debate Club. The club is divided into teams of two people each. In debating against each other the members learn about formal debate. The club advisor is Mrs. May.

JETS CLUB

Junior Engineering Technical Society, JETS, is an organization of students who are interested in math and science. Most of the members are physics students. The club works on projects to learn more about natural and man-made wonders. Mr. Berkebile serves as advisor.

KEY CLUB

The Key Club, another innovation, is a boys' service organization sponsored by the Kiwanis. Already the club has done a great deal for the school in renovating the former girls' locker room into a student recreation room called the Teepee. The Key Club advisor is Mr. Quint.

PUBLIC ADDRESS

The public address system is a very vital part of the school. The daily scripture readings help start the day with the proper spiritual attitudes, and the announcements supply valuable information. The public address staff is comprised of Carl Ott, Judi Cagley, and Phyllis Shirey.

PROJECTION CLUB

Jack Orlandi, Charles Pellatiro and Ernest Phillippi, members of the Projection Club, are the boys in charge of distributing projectors and screens and caring for them. Since visual aids are very important, the club has a great responsibil: .

SECRETARIAL CLUB

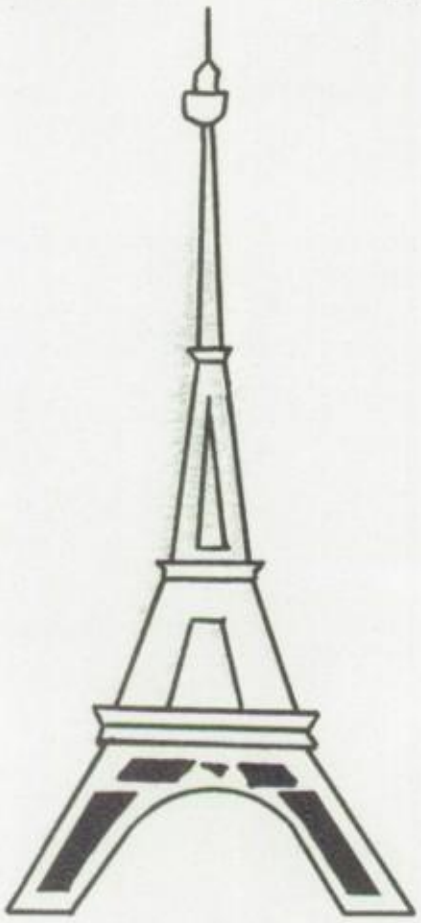
The Student Secretaries' Club is made up of commercial students who have very special tasks. Each member serves as the secretary of one or more teachers. Their chief responsibilities are typing and mimeographing study sheets and tests. The teachers benefit from these services, and the students benefit from the experience. The club advisor is Mrs. Statler.

FUTURE FARMERS OF AMERICA

Agriculture students compose the group known as the Future Farmers of America. The club participates in many activities, locally, as well as county- and state-wide. The high point of FFA's year is its annual field trip to the Pennsylvania Farm Show. Mr. Ifft is the advisor.

Pausing for a moment in a lovely French garden is enough to put stars in anyone's eyes.

Even sophisticated night club goers enjoy a few quiet moments at a sidewalk cafe.

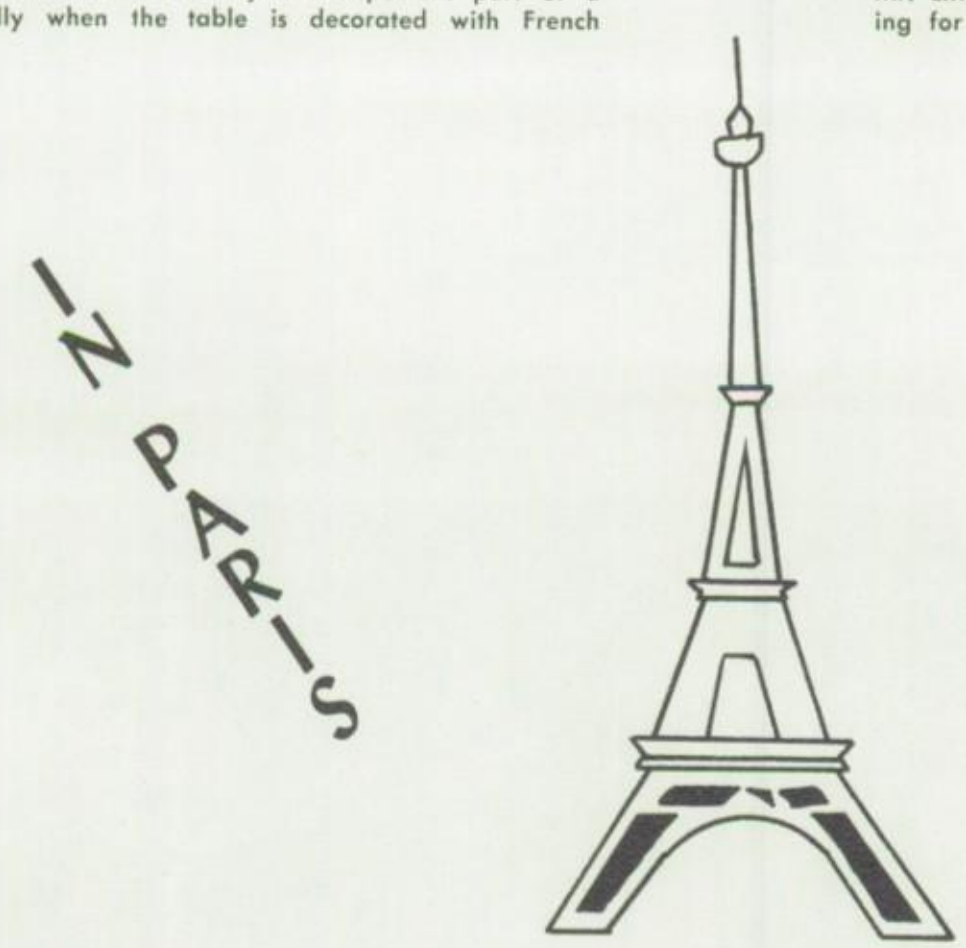


What could be a better place for girl-talk than under the Eiffel Tower?

On the evening of ———— I attended the annual Junior-Senior Prom, escorted by _____. The theme of the dance was _____, and music was provided by _____. After the dance we went to _____. I had a _____ time.

Stopping for refreshments is always an important part of a dance, especially when the table is decorated with French emblems.

Mr. Littlejohn and Mrs. Popyk gave invaluable help in preparing for the prom.



The annual Junior-Senior Prom, sponsored by the class of 1963, was held May 12, 1962. The theme of the dance, "Paris Memories," was carried out very effectively and beautifully. Couples sat under the gaily-striped canopies of sidewalk cafes and danced under and around the Eiffel Tower. A beautiful garden filled with real apple blossoms, lilacs and trellises was a popular spot.

The dance was made a success because of the hard work of the class deans, Mrs. Popyk and Mr. Littlejohn; the general chairman, Geraldine Ewanitsko, the class officers, all the committees and of course all the juniors and seniors who attended.

Patty Cosgrove and Jack Riley walk slowly out of the wicket that leads to the garden.

THE NIGHT BEFORE

These seniors and their dates enjoy a dance around the Christmas tree.

The annual Christmas Dance was held December 22, 1962. The sophomores carried out their theme, "The Night Before Christmas," effectively and beautifully. The main objects of interest were a revolving Christmas tree in the center of the floor and a huge fireplace decorated with letters to Santa Claus. Music was provided by the Quantrails.

Seniors turn up everywhere—especially at the refreshment table.

CHRISTMAS

What could be more romantic than waiting for Santa with someone special?

Mistletoe helps spread the Christmas spirit.

Relaxing and just talking is almost as important as dancing.

VALENTINE DANCE

Queen Marian and King Wayne

The annual Valentine Dance, sponsored by the senior class was held on February 16, 1963. Marian Tranovich was elected Valentine Queen, and Wayne Hostetler was chosen King. Junior and sophomore princesses were Kathy Degory and Mary Gironda. Music was provided by the Bluejays.

Princess Kathy and her escort, Alvin Carnahan.

Princess Mary and her escort, John Haines.

Ray Gironda, senior class president, crowns Queen Marian.

Talking between dances is as much fun as the dances themselves.

Faculty members seem to enjoy the dance as much as the students.

Dancing is wonderful, even on the crowded floor.

The refreshment table is always a popular spot.

Mrs. Popyk and Mr. Littlejohn take a well-deserved break.

I'm going to put my foot down, girls!

Did somebody say "Yankees"?

I don't care if it is funny. It's my birthday hat!

Stick out your tongue and I'll beat you with this doll.

Barry will never eat all that cake!

You can't beat these bucket seats for comfort!

The 1954 Homecoming Queen and her Maid of Honor.

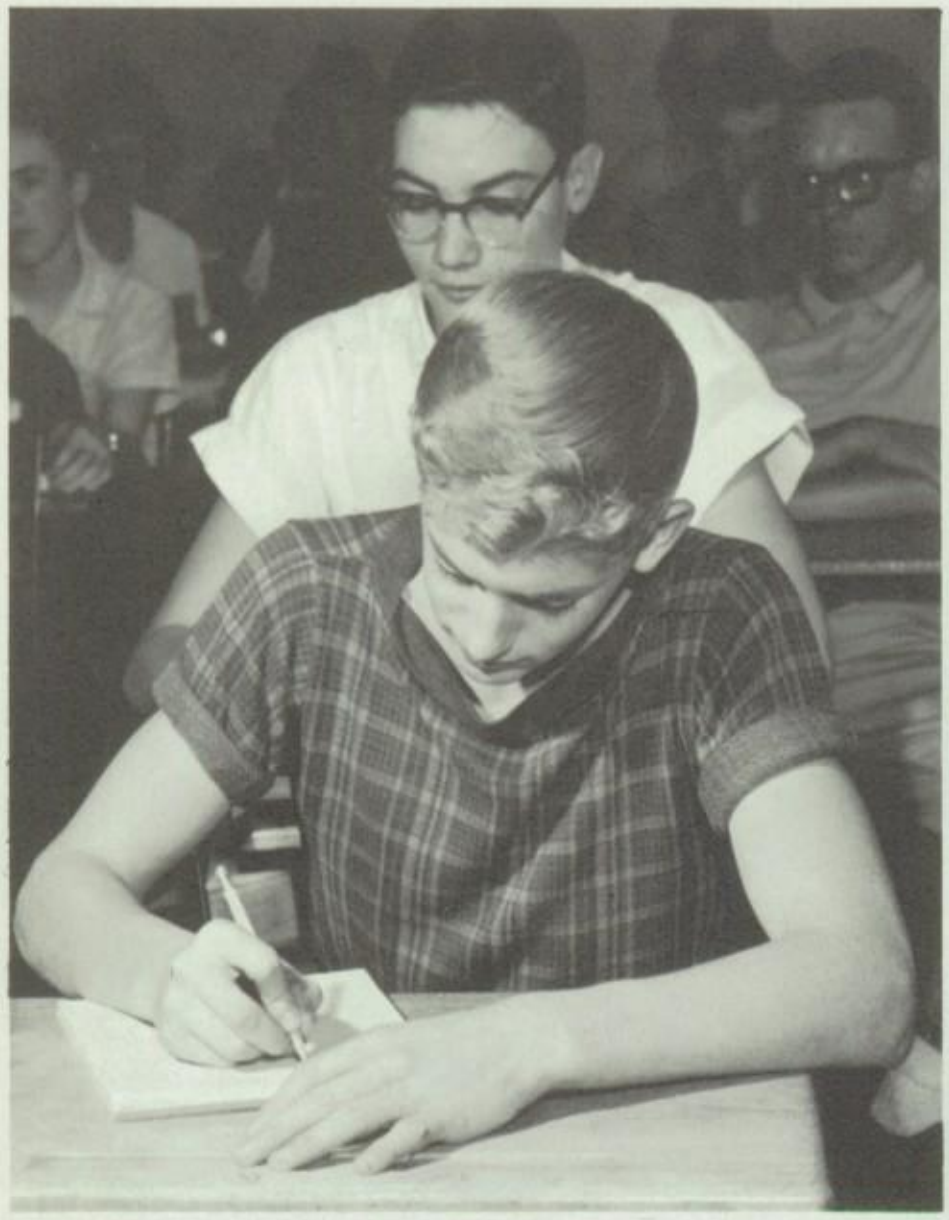
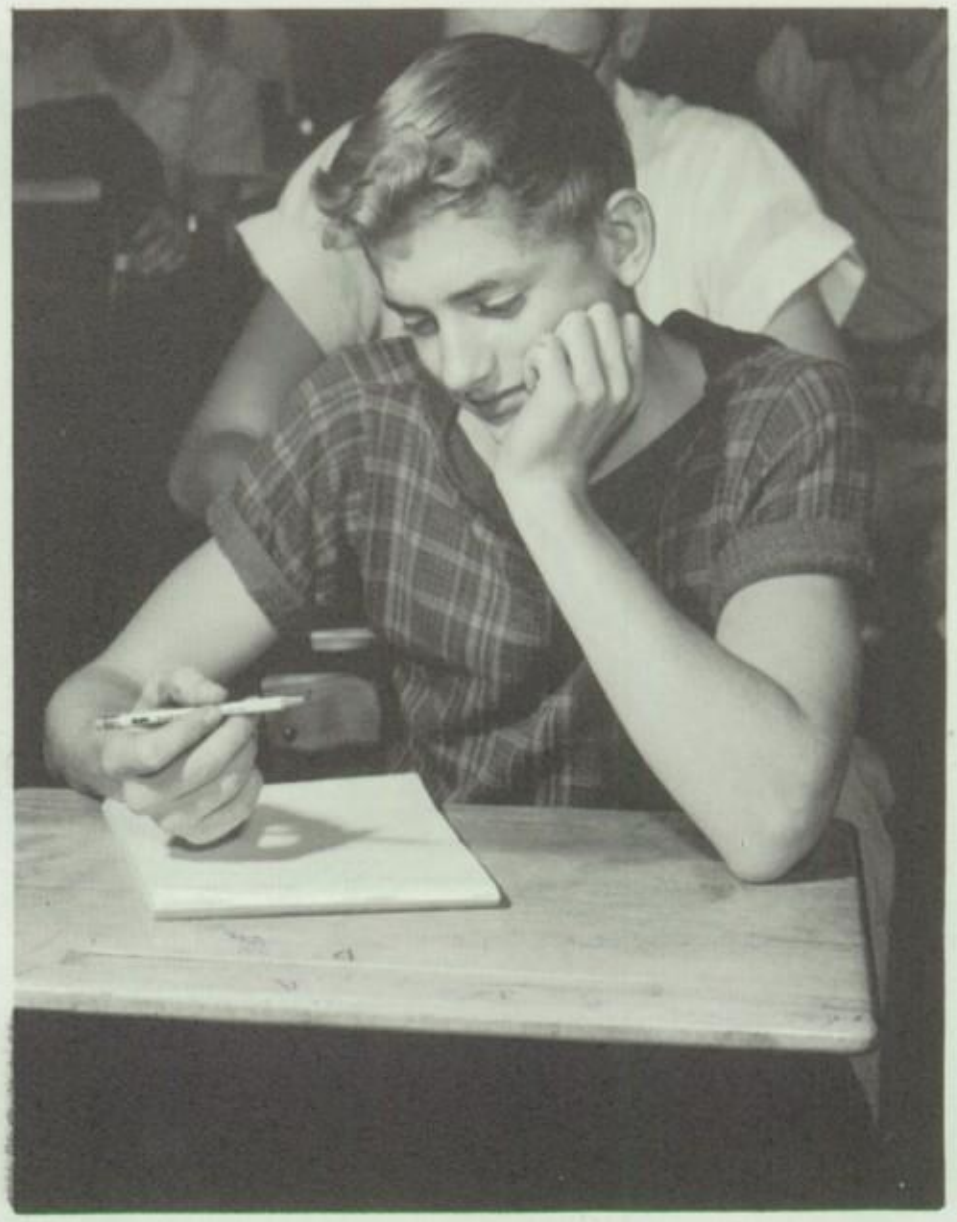
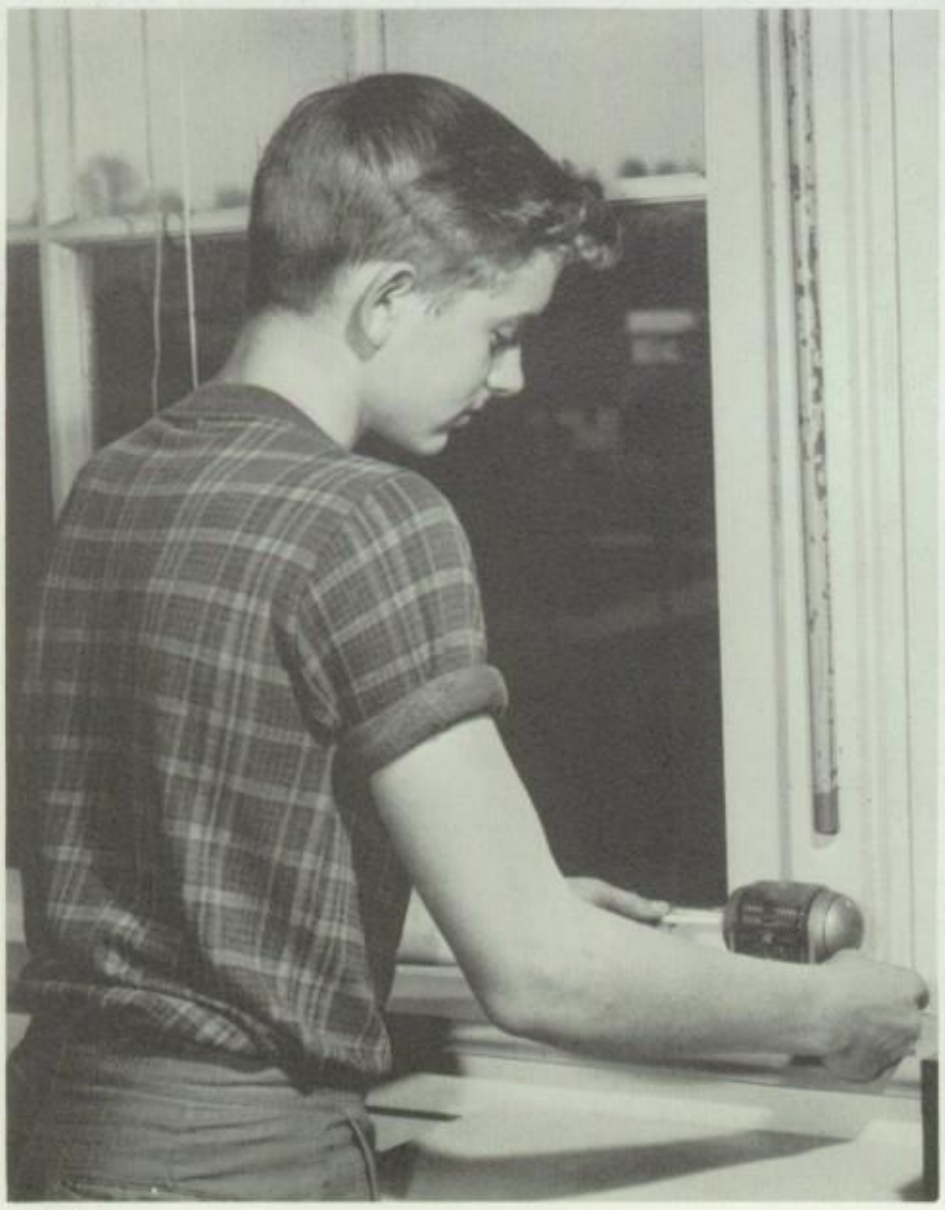
The cheerleaders, under the guidance of Mrs. Ickes, are the group who help keep the student body peppy and excited at sports events. During football season these girls helped raise school spirit to a new high. Our cheerleaders distinguished themselves and the school by providing excellent representation in competition with area schools at the annual Cheerleading Contest at the War Memorial on November 16, 1962.

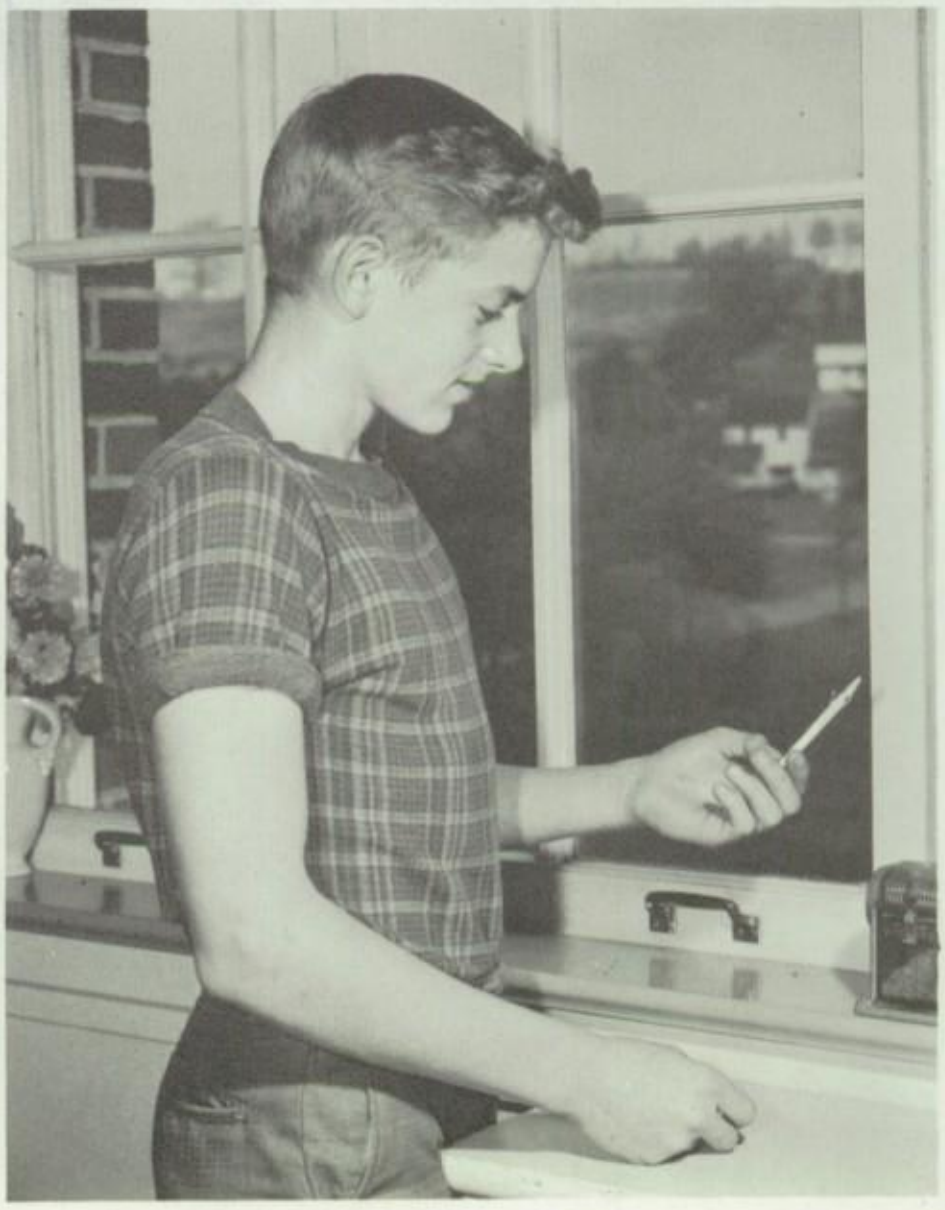
The cheerleaders await their turn at the Cheerleading Contest.

CASE IN POINT









The other team didn't have a chance!

Some party—they didn't invite any boys!

"Out, damned spot! Out, I say!"

Jeanne in the nursery.

It's a talking crow, stupid—what else?

It followed me home—may I keep it?

It's not the English Channel, but it's a start.
